

TERMS AND CONDITIONS FOR RACING AT Glandore Harbour Yacht Club (GHYC)

Members and visitors who compete in races organised by GHYC must agree to the following conditions:

- 1 All members should read and comply with all Club Rules or Byelaws relating to racing or on the water activities, and while racing comply with the RRS, and any rules as described in the Notice of Race and the Sailing Instructions for the race entered.
- 2 It is the responsibility of the owner or skipper to provide the club with details of an emergency contact for the skipper, and for that person to have emergency contacts for the crew.
- 3 It is the responsibility of owners to ensure that their boats are in a seaworthy condition fit for the expected conditions and are equipped with appropriate safety equipment.
- 4 By taking part in the event, each competitor agrees and acknowledges that:
 - a. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - b. They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;;
- 5 The responsibility for the decision to participate or continue in a race lies wholly with the owner/skipper alone, and no action by the club such as starting a race or providing a safety boat will reduce or transfer that responsibility . See RRS Rule 4.
- 6 The club through its Race Officer may decide to cancel a race, including one that has started, at short notice if it is felt that the safety of the participants or organisers may be compromised.
- 7 As there are costs to the club in the organising of races, fees will be charged for each race, regatta or race series. No member may race unless they have paid the relevant race fee in advance and if they have not they should not try to participate or interfere with the conduct of that race.
- 8 If for reasons outside the club's control the Race Officer cancels a race at short notice no refund of the Race Fee will be given. If possible the club may try to arrange a substitute race.
- 9 The club will accept no liability or involvement in incidents between boats racing which cause injury to participants or damage to boats, except where appropriate to conduct a properly called protest hearing in accordance with the RRS and provide a record of its conclusions. Members should negotiate with each other with or without the involvement of insurance companies.
- 10 All boats should be appropriately insured while racing.
